World Aquatics kindly asks the Federations to consult with the appointed referee and confirm back her or his availability. In case of decline of an official, the respective Federation must inform World Aquatics Office immediately.

3. NON-CERTIFIED OFFICIALS

IMPORTANT(!):

All referees officiating at a World Aquatics event must have a valid certification. Due to the difficulties of the recent years, numerous referees have not attended a certification school. For those appointed referees who do NOT have a valid certification, MUST attend the CERTIFICATION SCHOOL which will take place before the tournament in Buenos Aires between 28-30 June 2024. This action requires the referees with no certification to arrive earlier: on 27th June.

Certification school:

Buenos Aires:

Start: 28th June, 9AM

Test: 30th June

Lecturers: Tamas MOLNAR, Stravoula KOZOMPOLI

The referees who are certified, who has valid certification, can arrive on 30th June 2024 and participate at the workshop on 1st July 2024 from 10AM.

The logistics, accommodation must be arranged accordingly!!!

Please contact us if you have any questions or need further clarification.
